2. A Motor Vehicle Driver License valid in the State of New York; and
3. One year of full-time satisfactory work experience that has been continuous with one employer.

If you have part-time satisfactory work experience that has been continuous with one employer, it will be credited on a prorated basis.

Foreign Education Fact Sheet (required only if you need credit for your foreign education for this examination): If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation, as well as instructions on how to submit this evaluation are listed in the Foreign Education Fact Sheet, which will be attached to this Notice of Examination during the application period. When you contact the evaluation service, ask for a "document-by-document" (general) evaluation of your foreign education. Your foreign education evaluation **must** be submitted directly to NYC Transit's Examinations Unit by the service completing the evaluation. Foreign education evaluations received directly from applicants will **not** be accepted. You may also visit http://web.mta.info/nyct/hr/forms_instructions.htm to access the Foreign Education Fact Sheet on our website.

Note: If you have earned a higher-level degree in the United States that supersedes the level and type of education required to meet the qualification requirements, you do not need to submit a foreign education evaluation. However, you must indicate that you have completed the higher-level degree in the United States; proof of acceptance into an academic program or school is not sufficient to determine satisfactory equivalency.
