B&T910	Senate	Klein, Jeffrey	Dana Carotenuto	10/09/09	Wanted background on restricted hours of access to Harding Ave. entrance to Throgs Neck Bridge .	Explained that restricted hours of access to entrance ramp were put in place in response to community consensus back in 1990s after residents balked at vehicular bridge traffic going through their quiet local streets. Advised Klein's office to consult with CBs and local organizations before pushing to change access (community historically is vigorously against increasing hours of access to this entrance ramp).	10/15/09

LI Bus 913	Senate	Fuschillo, Charles, Jr.	Janet	12/01/09	Called to arrange a meeting to review the procedures that LI Bus has in place to comply with the new "Silver Alert" law that goes into effect in Nassau County on 12/10. In addition, on Oct 6th (about 10 AM), there was an incident on the N19 bus where an autistic adult (age 18) was "lost." The goal at this meeting is to assure him and others that we're prepared to meet the letter and spirit of this new law.	On Tuesday 12/8/09 at 10:30 MTA Bus/LI Bus staff from Intergovernmental Relations, Operations, Road Operations and Security met with Senator Fuschillo, Assemblyman Donohue and with community leaders regarding the new "Silver Alert" law going into effect on 12/10. The MTA and Nassau County Police assured the parents and community groups that we're prepared to meet the letter and spirit of this new law. The MTA will review it's notification processes and properly train and educate its employees about this law. In all, 16 people attended the meeting. No additional follow-up needed.	12/08/09

MNR1000	Senate	Larkin, William			Sent letter dated July 24 regarding Orange County Payroll tax to fund MTA and suggestions to improve notification and parking issues (included article from the Times Herald Record dated 7/24)	Provided response on August 14th, stating that MNR has been working with NJTRANSIT to resolve the issue. Specific delays were due to mechanical difficulties suffered on that particular day in question. We are also working with our parking operator to allow Port Jervis permit holders to park at Harriman Station without penalty.	8/14/2009
